**MOTION BY SUPERVISORS HILDA L. SOLIS  
AND JANICE HAHN**

**October 3, 2017**

**DACA Extension**

On September 3, 2017, in a cruel and politically divisive move, President Trump ended DACA. Concurrently, the world has witnessed multiple natural disasters, including Hurricanes Harvey and Irma, and a massive earthquake in Mexico. These incidents have disrupted daily life for individuals across the Country due to deaths, loss of work, displacement and much more. Meanwhile, the Administration has imposed an arbitrary October 5, 2017 deadline for “DREAMers” to seek DACA renewal.

The October 5 deadline may prove impossible to meet for individuals impacted by hurricanes and the earthquake. At the federal level, there is a call to extend this deadline. Given then County's longstanding advocacy around immigration and related issues,

**WE THEREFORE MOVE THAT THE BOARD OF SUPERVISORS,** Direct the Chief Executive Officer to send a 5-signature letter to all members of the County's Congressional Delegation, the Senate and House leadership, and to the President of the United States urging the extension of the DACA renewal deadline for an additional 90 days.
